### ARRIVING BY BOAT

Visiting boaters must clear Customs and Immigration at the nearest designated Port of Entry. As you enter port, fly the yellow quarantine flag and notify Customs of your arrival. No one other than the Captain is permitted to leave the boat, until your vessel has been cleared.

Customs and Immigration will come to your vessel. Everyone on board must have proof of citizenship and fill out an immigration card. US citizens can present a passport or birth certificate. A driver's license is not acceptable. Before leaving The Bahamas, be sure to surrender your copy of the immigration card at the last Bahamian port you visit. If you have a firearm on board, you must declare it with Customs. You must provide the serial number and manufacturer, plus an exact count of ammunition. Though you are allowed to have a firearm on your boat, you cannot take it off the boat unless you obtain a permit from the Bahamian police ahead of time. Weapons must be under lock and key at all times. Any infraction of this law is dealt with severely.

### ENTRY FEES

All boaters entering The Islands of The Bahamas are required to pay a single entry fee of **\$100.00**. This will cover a vessel with four persons or less. Each additional person above four will be charged **\$15.00** departure tax.. If you plan to stay longer than 12 months, special arrangements must be made with Bahamas Customs and Immigration.

Regular hours for Bahamas Customs and Immigration Officers are 9 to 5 p.m. weekdays. Officers are on call during holidays and weekends. There is no overtime charge.
